ABOUT THIS RESOURCE

This resource includes a visual ELA word wall for 1st grade for the **ENTIRE YEAR**. These bright, clean cards contain student-friendly definitions and clear visuals to help your students internalize important ELA vocabulary. While these terms are common core aligned, I am happy to consider additional terms if you require them to match your content. You can email me with any requests at jillian@jillianstarrteaching.com

As of August 2019, this set includes 163 ELA terms (see next page for a full list).

These words are organized by Common Core strand. This resource includes a half-page headers for each strand, perfect to help organize your ELA Word Wall display, or to help label your ELA center.

These vocabulary cards print 2 per page in a landscape format. They are designed for easy assembly, so you only need to make one cut down the middle of the page. (making each card 4.25 x 11 inches)

I recommend printing on white card stock and laminating prior to cutting each page (this will save A LOT of cutting later!) I hope you and your students enjoy this resource! Feel free to contact me with any questions. Happy Teaching!

Here is a 2nd grade Math Wall in my classroom!
